25X1 [REDACTED]

1. On 23 April 1951, a train of 2 flatcars carrying 2 tanks, 2 gondola cars with round timber and 5 boxcars with undetermined cargo left Freienwalde (N 53/V 23) railroad station toward Eberswalde.

25X1 2. On 4 May, the Kradschuetzen Kaserne in Freienwalde quartered only a rear unit of about 100 soldiers. Motor vehicles [REDACTED] 25X1
 [REDACTED] hauled straw to the installation. Source deduced from the amount of noise of motors, that 2 to 4 armored vehicles were still in the billeting area.*

25X1 * [REDACTED] Comment. Since the bulk of the elements of the 6th Gds Mecz Div and headquarters units of the Fourth Gds Mecz Army in Freienwalde departed between 17 and 19 April 1951, probably for Templin, it is believed that the train mentioned in paragraph 1 also moved to Templin though behind schedule. 25X1
 25X1 [REDACTED] The motor vehicle [REDACTED] 25X1
 mentioned in the present report belong to headquarters units of the Fourth Gds Mecz Army.
